Subject: Five-Year Review of Reclamation Surety, Robert D. Drachuk, ML 48944 and ML 48945 Project, S/027/103, Millard County, Utah

Dear Mr. Carter:

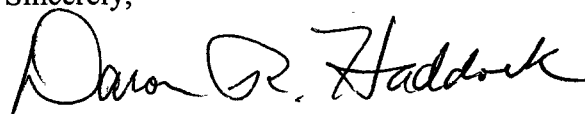

The Division has recently evaluated and adjusted the required reclamation surety for ML 48944 and ML 48945 Project. Per R647-4-113.6.12, the surety amount has been escalated to the year 2012 based on a 3.2% escalation rate.

The amount of the increase is \$300.00, bringing your total bond amount for 1 acre(s) to \$1,800.00. Please contact Mr. Jed Pearson, Division Minerals Surety Coordinator to discuss the steps necessary to update the reclamation contract and obtain details on how to submit the increased surety amount. He can be reached at (801) 538-5382 or [bondcoordinator@utah.gov](mailto:bondcoordinator@utah.gov).

Please provide the updated surety amount within 90 days of the date of this letter.

Thank you for taking the appropriate action to maintain the surety in a current status.

Sincerely,

*for* 

Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program
